

Groundwater Lodge's refurbished Bottlebrush Household

A country-style household designed to feel like home

With 15 refurbished private suites, a welcoming and cosy lounge room, dining room and kitchenette, and beautiful homely touches, Bottlebrush Household at Groundwater Lodge is the latest in a continued program of enhancements at PresCare's two Maryborough aged care communities.

Groundwater Lodge is a tranquil community set on leafy acreage. The private suites at Bottlebrush, each with their own ensuite, open onto covered patios where residents can enjoy the simple pleasures of a traditional backyard. Suites range from \$425,000 to \$450,000.

Groundwater Lodge is also home to PresCare's specialist memory support household where we care for up to 20 residents living with advanced dementia care needs.
