PresCare has a culture of caring that puts residents first. Here, everyone is supported to live their way, with grace and dignity.

## Everyday *by your side*

Our Carers and Nurses focus on you as a person, getting to know your story, likes and routine. We listen, respect your choices and support you to live your way, whatever that looks like to you. Our expert team is on-hand 24/7 to provide tailored care that matches your specific needs, delivered with kindness and compassion.

## Everyday *home cooking*

When it comes to food, there's plenty of choice – just like home. Everything is freshly made in our own kitchen, and our nutritious, seasonal menus offer variety and family favourites. You can choose to join your neighbours for meals in our dining rooms, or we can deliver them to you in the privacy of your own suite.

## Everyday *wellbeing*

We support you to find comfort, enjoyment and meaning in your daily life. Our resident-driven Lifestyle Programs include a range of interesting activities and outings, and we'll help you maintain your valued family and community connections. Residents are welcome to attend on-site Chapel services and receive pastoral support.

## Everyday *spaces*

Yaralla Place and Groundwater Lodge are divided into smaller households that mirror the look and rhythm of home. There are welcoming lounge and dining spaces and the familiar features of a traditional backyard, like courtyards, flower beds and established trees. Your light-filled, private room can be furnished and decorated as you like, so it feels like a master bedroom.

## Everyday *for locals*

PresCare is proudly part of Apollo Care – an innovative national alliance of not-for-profit aged care communities. Our specialist team of leading industry experts is supporting PresCare to evolve and thrive, while preserving what makes Yaralla Place and Groundwater Lodge so special to the locals of Maryborough.

Together with the wider community, we are building a sustainable future for PresCare so locals can choose to remain living here as they age.
